AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions, listings, of claims in the application:

Listing of Claims:

1-2. (Cancelled)

3. (New) An electric condom ring comprising:

(a) a ring of sufficient diameter for encircling a condom worn by a user; and

(b) a vibrating device mounted on the ring, the device including a battery, a motor powered by the battery and having a front end provided with an eccentric rotator and a rear end connected to the battery, a conductive spring plate including a first end for electrical connection with the motor and a second end connected to the battery, an insulation plate movable between a first position in which the front end of the spring plate is maintained out of electrical connection with the motor and a second position in which the first end of the spring plate is disposed in electrical connection with the motor, and a rod for operation by the user to move the insulation plate between the first and second positions.
